

Kick-off-Meeting of the project FISHMEDNET in Porto Vecchio (Corsica) on 28th and 29th January 2020

The Kick-off-Meeting took on the FISHMEDNET project took place in Porto-Vecchio in Corsica on Tuesday 28th and Wednesday 29th January 2020.

Around fifteen participants, coming from all over the Mediterranean as representatives of the partners (from France, Italy, **Palestine**, Lebanon and Tunisia) gathered for officially launching the project and set up its action plan in particular for the next semester. The meeting was also an occasion for coordinating the management of the project and share the communication strategy.
